## Press Release

---

FOR IMMEDIATE RELEASE

February 20, 2007

### **Property Book Unit Supply Enhanced site visits scheduled for Europe**

**HEIDELBERG, Germany** – Supply sergeants, property book officers, property book technicians and supporting combat service support automation management office personnel are encouraged to attend a U.S. Army Property Book Unit Supply Enhanced System site survey scheduled to take place at Army garrisons throughout Europe.

Hosted by IMCOM-Europe's and HQ USAREUR's logistics divisions, representatives from the Department of the Army Program Manager, Logistics Information Systems, Fort Lee, Va., and the U.S. Army Program Executive Office, Enterprise Information Systems, Fort Belvoir, Va., will lead the briefings. They will present an overview of the PBUSE and assist garrison/unit Property Book representatives in preparing for conversion requirements from the current Defense Property Accounting System and Unit Level Logistics System to PBUSE.

Briefings will take place at the following sites and dates throughout the European theater:

USAG Kaiserslautern (5-8 March 2007)  
Galaxy Theater, 0900-1630

USAG Mannheim (12-16 March 2007)  
Schuh Theater, 0900-1630

USAG Grafenwoehr (20-23 March 2007)  
Tower Theater, 0900-1630

USAG Wiesbaden (26-30 March 2007)  
Mainz Kastel Storage Station, 0900-1630

-more-

**PBUSE.**

USAG Benelux (2-3 April 2007)  
Chievres Air Base (CAB), 0900-1630

USAG Vicenza (5-6 April 2007)  
Vicenza Digital Training Facility, 0900-1630

PBUSE is an automated logistics and integrated system; it is the first U.S. Army, web based-enabled logistics system. This system will replace the Defense Property Accounting System, Standard Property Book System-Redesign and the Unit Level Logistics System.

The U.S. Army is fielding the system to reduce redundant property accountability systems and improve visibility and accountability for Army assets.

***Contact your local garrison Directorate of Logistics (DOL) for questions concerning the site visit closest to your location.***

The U.S. Army Installation Management Command, Europe Region (IMCOM-Europe) is one of six regional offices created Oct. 24, 2006, (formerly known as Installation Management Agency) as part of an Army-wide initiative to focus management of Army installations around the world under one organization. IMCOM-Europe is responsible for all facets of support for U.S. Army Soldiers and families in Europe from drivers' licenses to child care to force protection. As the landlord for all U.S. Army facilities in Europe, IMCOM-Europe is responsible for infrastructure and continuing the Army's strong commitment to environmental protection. Its higher headquarters is located in Arlington, Va.
